

A WORD FROM CHEF BRYAN

Thank you for dining with us at Lark Brewing Co. We are a Chef driven kitchen meaning everything on our menu is made from scratch, even our dressings, sauces, and french fries.

Because we're a scratch kitchen there are no hidden gluten in our stocks, sauces, and dressings which makes every menu item indicated (GF) on the menu gluten friendly. We even offer gluten friendly buns! If you're looking for something vegetarian or have a restricted diet you're in luck! We don't use any animal products in dishes and sides that appear to be vegetarian, if you have any questions just ask to see the chef!
